

Aura invites you to a world of complete relaxation, where gentle hands help restore and rejuvenate your mind and body, while you reconnect with your soul. At our luxurious spa, pure essential oils blended with handpicked ingredients are used to purify and detox your body. Our Spa therapists have extensive training in a variety of styles and massages that can be customized to suit your requirements. The treatments at Aura harness the power of the five elements of nature and sound therapy inducing a deep state of relaxation.

Our seven therapy rooms are inspired by the exquisite diamonds and other precious jewels of the Nizams. Resplendent hues of white with shimmery crystal overtones cast a soothing glow over your personal haven. The couple and single suite therapy rooms also feature chromotherapy whirlpools and heated massage beds, while the wet areas host two Amethyst steam rooms which aid in harnessing clean, positive energy.
