aura

Aura invites you to a world of complete relaxation, where gentle hands help restore and rejuvenate your mind and body, while you reconnect with your spirit

Our spa present organic luxury through signature treatments inspired by nature. Within the cocoon of our two therapy suites Gulab (rose) and mallika (Jasmine), pure essential oils blended with all-natural plant and mineral ingredients are used to purify detox your body. Our spa therapists have extensive training in a variety of styles and massages that can be customized to suit your requirements. The treatments at aura are created using the "Panch-mahabhuta" concept, which harness the power of the five elements of nature, to ensure your holistic well-being.

OUR INGREDIENTS

The Aura treatment philosophy is holistic. Our ingredients are a careful selection of naturally grown products, best known for their scientific properties and ancient wisdom, and are completely devoid of chemicals.

Please choose from four custom created massage oils exclusively developed by aura, with a base of cold pressed sesame or gingili oil, to best compliment your mood.
